Ottawa, Ontario, Canada, K2B 5K6

**ShockWave 3-5.1.2b Sound Module**  
**F14 Tomcat Sound Clips**

| <u>Sound Clip</u> | <u>Sound Clip Description</u>               |
|-------------------|---|
| Sound Clip 1      | NULL sound clip to startup/shutdown Engine1 |
| Sound Clip 2      | M61 Vulcan 20mm cannon                      |
| Sound Clip 3      | Rocket Firing                               |
| Engine1           | F14 engine sound set                        |

Use SOUND1 switched RC input to startup/Shutdown Engine1.  
Use THRTL1 proportional RC input to control Engine1 sound speed.  
Use SOUND2 switched input to control other sounds,  
(toggle once for guns, twice for rocket).
